

Historic Skyline Theatre Property Purchase

Sublette Group for Community Initiative (SGCI) invites you to donate to the Skyline Theatre Project.

The Skyline Theatre was Pinedale's first movie theater that operated from 1940-1980. It is located at 14 N Franklin Avenue right downtown Pinedale, in the locally designated Historic District. SGCI intends to purchase the property and restore the theatre and pursue listing on the National Register of Historic Places. The theatre will be run as a multi-entertainment theatre, with second run, documentary, and independent films, film festivals, music, performances, speakers and more!

We are raising \$170,000 by June 28, 2019. \$160K will go towards the property purchase and \$10K for Administration and Grant Writing. Funds raised will purchase the property and provide a match for grants to finance the renovation phase.

For more information on the theater project and to follow the restoration process go to www.skylinetheatre.org

Or follow us on facebook at Skyline Theatre Project, share memories and photos at our group page Skyline Theatre Memories.

Make Checks Payable to SGCI: Skyline
